

Sponsorship Month Resource Package

School Edition

Thank you for participating in Sponsorship Month with Impact Ministries. Whether you celebrate sponsorship all month, or designate a day or a week to celebrate sponsorship, we hope you'll find the resources you need to encourage the meaningful connections that can develop when your students and their families sponsor a child or class. If you have any questions, feel free to contact Cassidy at sponsor@impactministries.ca or 250-434-4350.

Announcements

text-only for newsletters, verbal announcements, email updates etc

May is Sponsorship Month, and this May, we're inviting our students and their families to prayerfully consider sponsoring a child or class through our mission partner, Impact Ministries. In Guatemala, kids don't always have the opportunity to go to school. Your sponsorship can open the door for children to receive an education and learn how much God loves them. Learn more at www.impactministries.ca/sponsor

Additional Resources

These resources are organized by activity, but feel free to use however they work best for you!

Celebrate Sponsors

Celebrate sponsors! Invite everyone in your school to send in a picture of the child or class that they sponsor (through any organization) and create a powerpoint slide or bulletin board display of all the lives that are being impacted through sponsors in your school community! Pray for the sponsors and the children during chapel.

A prayer for sponsors and their children:

Dear Lord,

Thank you that You love children all over the world

Thank you that we can share your love with children around the world

We pray that these children will feel our love across the miles

And we pray that through these sponsor relationships, kids here and around the world will get a glimpse of how much they are loved by You

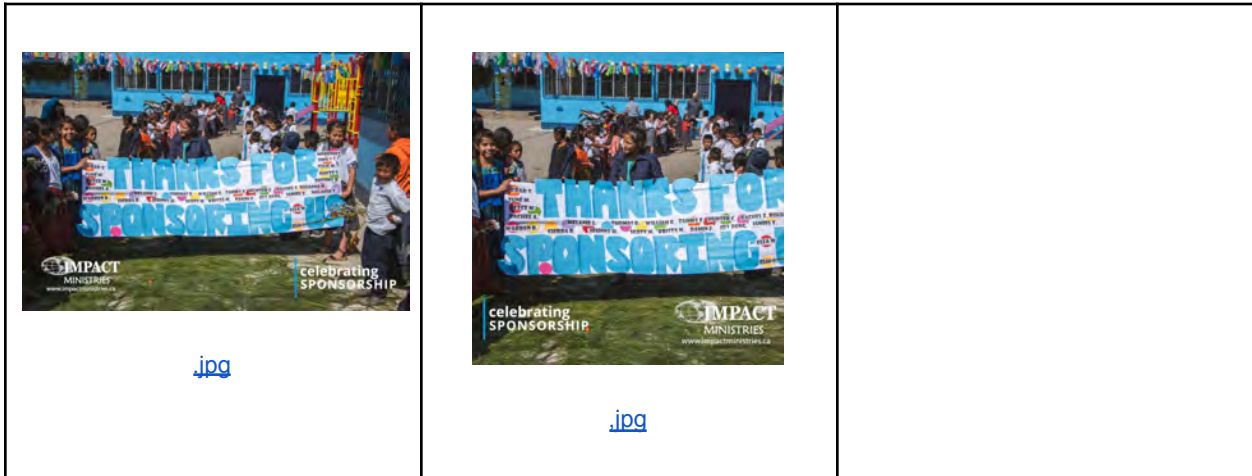

We pray that they would learn and grow, and that their hearts would be opened to the hope there is in You

We pray that your grace would rest upon them

May their lives glorify you

Amen

(More ways to pray for sponsor children: [Praying for Children in Guatemala](#) and [The Privilege of Prayer](#).)

Help us celebrate Sponsorship this month! If you or your family sponsor a child or a class, please send us their picture, so that we can celebrate all the lives being impacted by our school! If you've met your class or child, share that photo! Email the image to _____ by _____. (Need a class or child to sponsor? Check out <https://impact.sponsorsoft.ca>)

In May, we're celebrating Sponsorship. Let's celebrate and pray for all the lives being impacted - both the sponsors and the kids! Thank you to everyone who sponsors a class or a child ❤️

What would you like to tell your sponsor?

Share the Need

Share the need. Take 5 minutes during chapel, assembly, or class to share Alvaro's video that displays so clearly the needs in Guatemala and the impact of sponsorship in the lives of children like Alvaró. Print off some profiles of classes and children who still need sponsors and have them available for your school community to sponsor after the service.

Alvaró's Story
(~ 5 min)

A video player interface showing a close-up of a young boy, Alvaró, looking directly at the camera with a serious expression. The video player includes standard controls like play, volume, and a progress bar showing 0:00 / 4:56. The IMPACT MINISTRIES logo is visible in the top right corner of the video frame.

[YouTube](#) [Google Drive](#)

The video link can be shared, or the video can be downloaded from Google Drive and uploaded directly to your social media channel:

May is Sponsorship Month! Take 5 minutes to see what your sponsorship means to a child like Alvaró: <https://youtu.be/21w7AhpEmU>

To print off profiles of classes and children who still need sponsors:

1. Go to <https://impact.sponsorsoft.ca/>
2. Click on the picture of the class or child whose profile you'd like to print
3. Use Ctrl+P or Command-P on your computer or the print option on your phone

Connect with a Class

Connect with a Class. Choose a class in Guatemala to sponsor as a class, club or school (you'll be providing resources, school supplies, facilities, even teacher's salaries!). Take a group picture to send to your class, and collect words of encouragement from the group to pass along (you can message your class through Sponsorsoft)

You can find more information about sponsoring a class (and classes waiting for sponsors) at www.impactministries.ca/class

To write your class:

1. Log into [Sponsorsoft](#)
2. Go to MESSAGES > COMPOSE
3. Select the class you sponsor as a recipient, write your message, choose a picture to attach, and press submit.

Writing as a class or large group? Give each student a sticky note or a strip of paper to write their words of encouragement. Designate someone to collect and type the encouragement into Sponsorsoft, then use the sticky notes to create a bulletin display or turn the strips of paper into a paper chain.

Make it a Challenge

Make it a challenge! Invite someone from your school to share about their sponsor class - or the class you sponsor as a group - and the impact this sponsorship is making. Challenge others students to also sponsor this class (each class has a cluster of at least 10 units of sponsorship), or to sponsor a child or class from the same school in Guatemala! Maybe even offer a fun incentive if your school meets its goal.

Consider adding a fun incentive, eg: if our school adds 10 units of sponsorship, we'll have a donut day at the end of the month!

To find the link to your specific class

1. Log into [Sponsorsoft](#)
2. Go to MY SPONSORSHIP > MY CLASSES and click on the class photo
3. Copy the link from the browser address bar
