

### Our Mission...

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

# Orphan Care

*"I get lost in those huge glorious eyes, searching the room and looking for love. She's trying so hard to be brave, but she's longing for familiar arms. We are thankful she ended up here, where we know she will be safe and loved."*

### Why Orphan Care?

There are a staggering number of orphaned and abandoned children in Guatemala. For many years, we've held some of these children as we've done hospital visits, prayed for them, and shed tears over the lack of hope in their future. God has answered our prayer by calling Impact Ministries to a vision for Orphan Care. Through the Vida Children's Home, Impact Ministries is providing a home and family for children who desperately need to be loved.

### How can I change a child's future?

As we welcome children into the Vida Children's Home, we invite you to come alongside these little ones as an Orphan Care Champion! Your monthly support provides:

- loving house parents and nannies to care for the children
- a safe place to call home
- access to medical and developmental resources

In short, a refuge where these abandoned children can be given hope and a future!

### Why Guatemala?

The situation in Guatemala is complicated, as the doors to international adoption are not open, and there is not a strong culture of adoption or foster care outside of familial ties within Guatemala. To add to this, many existing children's homes and orphanages are overcrowded, understaffed, institutional, and unable to provide quality care for each child. The need is great in Guatemala for a Christ-centred loving home for these vulnerable children.

### Why Impact Ministries?

We believe that the abandoned children of Guatemala are God's children, and part of the next generation of godly leaders who will rise up to effect spiritual change in their society. But first they need love and care as they grow. The Vida Children's home has been operating since 2019 and we pray that it continues to be a place where love and hope is offered and where lives are transformed by the power of Jesus.
