

## Thank you for growing godly leaders in Guatemala in 2022! ▶

We're in awe of how God has used your gifts to accomplish His purposes in Guatemala this past year. We hope that these numbers will give you a glimpse into what the Lord is doing. Numbers never tell the whole story, of course, but when you think that each student, each little one in the Vida Children's Home, each family member attending church, each patient seen at the Impact Clinic, even each team member serving in Guatemala represents a life touched by the love of Christ, that's the true impact of your generosity! And that impact is eternal!

## "Soon you'll be able to study"

When Margarita and her mom would drop off her big brothers for classes at Vida Chamché School, Margarita would always want to stay and learn too. Her brothers would give her a big hug and say "Soon - soon you'll be able to study"

Margarita is the youngest of four siblings and the only girl. She was born into a family that was hurting. The father had deserted his wife and children and Margarita's now-single mother was struggling to make ends meet. But her brothers showered Margarita with love and prayed for a different future for her.

And Margarita dreamed of going to school. Even when it looked like her mom couldn't afford to send her for another year. But when Margarita's mom went to enroll her brothers for the 2022 school year, the school made sure that she was able to enroll Margarita too.

Margarita was so excited to finally be able to start her studies. She was so happy she would be able to make friends and play. Today, it is incredible to see her singing, worshiping, learning and sharing with her classmates.

Thank you for building a brighter future for kids like Margarita. We know it's only the beginning of the great purpose that God has for her life and we're excited to see her grow into a godly leader!
